NorthStar Moving and Storage  
9120 Mason Avenue  
Chatsworth, CA 91311

Dear Ram:

I just wanted to drop you a note to let you know how much I appreciate how painless you and NorthStar made both our commercial and residential move from California to Minnesota. We have worked with several moving companies in the past and your service and attention to detail was unmatched in any of those moves. We look forward to doing business again with NorthStar in the future for any of our moving and storage needs.

Best,

Matt Kole  
Director
