To Whom It May Concern,

We have used Gadi and NorthStar Moving Twice now, and can say without hesitation that his team is professional, trustworthy and fast! These guys know what they're doing—they came in, somehow remembered every little detail we frantically threw at them regarding our belongings, and did a perfect job packing, moving, unpacking and getting every item exactly where we wanted it to go.

Moving is a hassle-- it's stressful and exhausting. After moving twice within a year we hope that we won't be doing it again for awhile. But we also know that whenever we do go through it again, we wouldn't think of doing it without the help of Gadi and his hardworking crew at NorthStar!

Two handwritten signatures in black ink. The first signature is on the left and appears to be 'Peter Nelson'. The second signature is on the right and appears to be 'Diane Nelson'. Both signatures are written in a cursive, flowing style.
