To Whom it May Concern:

It is with pleasure that I write this letter expressing my satisfaction with Gadi, Rory and his crew regarding my move. I had over 20,000 pounds to move, including 40 boxes of china, a huge china cabinet and several new pieces of furniture about which, I must confess, I was extremely nervous.

Not only did all my china and furniture arrive in perfect order, the care, professionalism and efficiency the crew demonstrated truly made what could have been a difficult day quite easy. I am grateful.

I must say that my husband, who is very frugal and critical, said that he was more than pleased (as he counted and re-counted the 250 boxes we packed), and he didn't even mind paying the bill. The crew earned every penny.

Gadi was a pleasure to work with - personable, confident and reassuring, while Rory was an efficiency machine who coordinated and supervised everything perfectly.

I would highly recommend NorthStar to anyone who appreciates a job well done.

Gratefully Yours,
