Re: Ascendant Pictures Move

Dear Gadi,

We wanted to thank you very much on behalf of Ascendant Pictures. You were amazingly helpful with all of our needs and changes that were constantly popping up. The movers were nothing but the best and very attentive and careful with every piece of furniture. Without you and your crew we could not have done our big move. We would definitely recommend your company to anyone who wants a smooth move and make it feel like a piece of cake. We enjoyed working with you immensely and wish you all of the best.

Sincerely,

Amy Martinson
