Attn: Ran

Dear Ran:

Your company moved my furniture, furnishings and belongings from Sherman Oaks to West Los Angeles on November 13 and 14, 2000.

I want to take this opportunity to commend your company on its efficiency and quality of work. Too often, I imagine that you hear nothing but complaints but it seems appropriate to give a commendation when earned. The young men who came to do the work, Gonen, Lior, Shai and David were courteous, efficient and very careful in their work. They did an excellent job. I would not hesitate to recommend them and your company to others who may need your services.

Very truly ours,
